Mayor Gillen: The idea of this ordinance is to give the city power to sell milk in certain poor districts. My idea was to open places for the sale and distribution of milk in the First, Third and Fifth wards. I believe we can sell milk at the rate of about 11c a quart to those districts. I think if these places are conducted under the supervision of the Board of Health they will see that the receptacles are kept clean. I do not think it will cost more than \$5,000 and it will be self-sustaining as closely as possible. Under the plan I have in mind the city buys and sells the milk.

The following communication was received and read:

Newark, N. J., Dec. 27, 1918.
Hon. Charles P. Gillen,
City Hall, City.

My dear Mr. Mayor:

There is a short street, running from Elm Road to Chestnut St., on the City Maps, known as Platt St. I do not believe there are twenty people in the city that know it by name. The writer has a place of business on this street, and owns about 50% of the property on Platt

St. Mr. Isaac N. Paul, of this city, owns about 25%.

I would very much appreciate it, if agreeable to the City Commissioners, to have the street name changed from Platt St. to Hennessy St. in honor of James Hennessy, recently killed in action in France. The Hennessy family is among the oldest residents in this section of the Tenth Ward. The boy's father, James Hennessy, deceased, was a member of the City Police Force, and for many years connected with the Third Precinct.

I have had a talk with Mr. Paul, who seemed to be very enthusiastic to have the street name changed, as suggested.

Trusting that this request will meet with the approval of the Honorable Commissioners of the City, I remain

Yours sincerely,

Thos. F. Durning.

Ordered referred to the Director of Streets and Public Improvements.

The roll being called, the ordinance was declared adopted by the following votes:

Yeas — Commissioners Brennan, Raymond, Mayor Gillen.

Nays — Commissioners Archibald, Monahan.

Mayor Gillen: I am going to vote for this ordinance, although I do not think this is the real solution of our transportation problem. I think the city has got to go into the bus business itself because we have been fighting from year to year with this octopus (the Public Service) and we are always getting the worst of it. We get nowhere in the courts. We have no money to fight them and our service is getting worse and the city cannot provide better transportation facilities for the people of Newark. I do not know how far the General Omnibus Company is going to go to relieve the city, or to what extent it is going to help us, but I welcome anything that may come that may add to the transportation facilities in the streets. In the meantime I again call to the attention of my colleagues and to the people of Newark the great importance of preparing for municipal bus lines. We have been fighting for years for this improvement and we are making no headway. The conditions are growing worse and I think the people are entitled to more comfort and more ease. The recent growth of the city is a strong indication of what we are going to have in the very near future, and this is the governing body

of Newark and we should avail ourselves of every opportunity that may be presented to immediately increase our street car transportation facilities. If there is any law by which we can go into the bus business ourselves I think we ought to avail ourselves of the opportunity offered by that law. In the meantime this comes along as a sort of general relief. It looks as though it may add, to some extent, to our facilities for transporting the people through the streets of Newark, and I will vote in favor of it.

Commissioner Brennan, on behalf of the Fire and Police Departments, invited the Board to attend a special meeting to be held this afternoon at 2 o'clock in the Krueger Auditorium to consider the question of pensions for city employees as embodied in recommendations under the Pierson Pension Bills.

The Citizens Publishing Company
Publishers of The Roseville Citizen,
507 Orange Street, Newark, N. J.
Jan. 22, 1919.

The Board of Commissioners of the
City of Newark, City Hall,
Newark, N. J.

Gentlemen:

I beg to bring to the attention of your honorable body the fact that The Roseville Citizen is not receiving any of the official advertising of the city, although this paper is a Newark paper established much longer than

the time prescribed by law, and is in every way properly qualified to handle such advertising.

The edition, being general in its scope, covers more thoroughly than any other medium a very important section of Newark. The people here pay a large share of the city taxes and pay it promptly. The section is made up of an ideal class of citizenry and it is the only section of this city having a newspaper of its own. We feel as do many of our prominent people that the citizens here and their newspaper are entitled to due consideration.

Our people are entitled to a knowledge of the official business of the city, which they cannot get in the big dailies because the average person does not take the time to wade through them and sort it out so as to digest it properly. In the Citizen particular notices of interest to them would be brought more directly to their notice.

Whether or not the Citizen is put on the official list to carry all of the city notices, some of which might affect only certain sections of the city, we would particularly request at this time that this paper be listed by your board and the department having these matters in hand be instructed by your board to place with us regularly and send us automatically all such notices that are of interest to all citizens of Newark in general, in addition to such notices that are of particular interest to the Roseville section. We might suggest that we be permitted to publish the city Tax Budget in our issue of January 30th and which is to be published in other papers on January 27th and 31st.

The Citizen is four years old. It has lived and will live without city patronage, but its field of usefulness demands such consideration as I have outlined. It has been recognized by county and state officials for the publication of official business, but to this time the City of Newark has not seen fit to recognize it or its readers as worthy of such recognition, thus

depriving our people of the consideration given to those parts of the city where other mediums are more generally read and circulated.

Thanking you for your careful and favorable consideration of this matter and your advice concerning same, I am

Yours very truly,

The Roseville Citizen,

R. W. Bennett, General Manager.

Commissioner Raymond moved that the Roseville Citizen be placed on the list of official newspapers of the City of Newark, and that if a resolution is necessary for that purpose it be put in next week, but that the city clerk use his discretion, however, in the use of the paper in publishing whatever matters he deems necessary for that section of the city.

Upon a call of the roll the motion was declared lost.

Commissioner Brennan moved that the subject matter be taken up at the next conference in conjunction with the Law Department.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Mayor Gillen offered the following ordinance which was read by the clerk:

"An Ordinance to amend Section 542 of the Revised Ordinances of the City of Newark (Revision of 1913)."

City Attorney Kearns, at the request of Mayor Gillen, made the following explanation in connection with the ordinance:

The Health Officer has distributed a circular generally among the citizens of Newark in which he quotes section 542 of the Revised Ordinances of the City of Newark, and the entire section, if allowed to stand in the way in which it is written in the circular and in the present ordinance, would seem to prohibit the posting of theatrical bills or advertisements,

also the advertisement of any theatrical matters whatsoever. The whole of it reads as follows:

Sec. 542. No person shall post, paint or distribute any poster, card, sign, pamphlet, circular, advertisement or notice in any public place in this city describing, recommending or advertising for sale or in any way referring to any medicine or remedy for the prevention or cure of any venereal disease, or any lewd, vulgar, immodest, immoral or indecent painted, printed, lithographed, engraved, written or pictorial advertising matter, including theatrical posters and advertisements of every kind whatsoever; any person, persons or corporation offending against the provisions of this section shall be subject to a penalty of one hundred dollars, for the first offense, and of two hundred and fifty dollars for any second or subsequent offense.

We eliminated from the present ordinance the words "including theatrical posters and advertisements of every kind whatsoever." This will prevent any dubious construction which might be placed by laymen on the present ordinance and leaves it effective for the purpose intended. I prepared this amendment at the Mayor's direction.

The ordinance having been read once, Commissioner Brennan moved that it be ordered to a second reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The clerk then read the ordinance by sections.

Title declared open to amendment.

Section 1 declared open to amendment.

Section 2 declared open to amendment.

Section 3 declared open to amendment.

The ordinance was declared open to amendment in all its parts.

The ordinance having been read a second time, Commissioner Brennan moved that it be ordered to a third reading.

The roll being called, the motion was declared adopted by the following votes:

Yeas — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

Commissioner Brennan moved that the ordinance be taken up on third reading and final passage one week from today, January 30th, 1919.

NEWARK, N. J.

January 30, 1919.

A regular meeting of the Board of Commissioners of Newark, N. J., was held on the above date in the Council Chamber, City Hall, Newark, at 11 o'clock a. m.

Present — Commissioners Archibald, Brennan, Monahan, Raymond, Mayor Gillen.

The minutes of the meeting of January 23rd, 1919, were read and approved.

James M. Seymour and Louis B. Lesser, representing the Board of Education, appeared before the Board with reference to building a memorial in honor of the returning soldiers on the site that was designed for the purpose of building a memorial for the 250th anniversary celebration of the city. They presented a sketch of the proposed memorial which, they stated, was prepared by John & Wilson C. Ely at their request and without any cost to the Board of Education. They stated that the sketch provides for a central museum where trophies of the war can be exhibited, niches for monuments, an auditorium capable of accommodating from 3,500 to 5,000 people and a Fawcett School of Industrial Arts where soldiers with one arm or one eye can be taught to do something useful. They stated the plan is tentative, but the scheme is to use the plot for educational purposes and at the same time build a memorial that will be a beautiful thing to the city, one that will be an everlasting monument in that it can be used for the education of our workingmen and children. They stated the cost of building a memorial of this kind involves a question of finance, which would be a very difficult thing to do at present, and the only argument in favor of doing this at this time is the argument of patriotism.

No action was taken.

Mayor Gillen offered the following resolution:

RESOLVED, That the sum of Three hundred seventy-four dollars and ninety cents (\$374.90) be and the same is hereby appropriated to the person named on annexed certified list, same being the bills and claims of the Department of Public Affairs as follows:

Gentlemen:

The Organized Bakery Workers of the City of Newark, N. J., respectfully request your Honorable Body to pass a City Ordinance prohibiting the delivery of bakery goods on Sundays.

The Organized Bakery Workers of the City of Newark, N. J., make this request for the reason that if the delivery of bakery goods on Sundays

Respectfully,
